What's an interesting fact about you or your firm that most people don't know?

Filing two successful Superior Court briefs - and applications to publish - resulting in the precedential Calabretta and Ashdale decisions - which open the door to recovery for hundreds of families with older, failing stucco, stone and siding homes. These cases mean that many will get their day in court!

Tell us about a recent personal accomplishment of yours?

During COVID, my husband, two daughters and I were fortunate enough to be able to spend much more time skiing than in a typical year. As a result, the whole family’s skiing skills have greatly improved, and we are officially addicted to the sport!
